

Homework #4
due Tuesday, Sept 29th, 2009

Reading: Nishimura, Chapter 6

Problems:

1. On-campus students: Bring a friend or colleague to the lab tour. Explain the basics of MRI to your friend, and answer their questions during the demonstration. Write a paragraph about the things you learned during the tour.
2. Nishimura 6.2
3. Nishimura 6.3
4. Nishimura 6.4
